**We love challenges. We thrive on extremes.**

The more challenging, the better. Our desire to help every customer find the optimal solution continuously drives us forward.

A family-owned company, KAESER KOMPRESSOREN is one of the world's leading manufacturers and providers of compressed air products and services. Established in 1919 as a machine workshop, Kaeser currently operates two manufacturing sites in Germany. The company employs approximately 7000 people worldwide.

**KAESER KOMPRESSOREN offers the following products and services:**

- Rotary screw compressors
- Reciprocating compressors
- Towable and stationary portable compressors
- Compressed air management systems
- Vacuum pumps
- Blowers
- Filters
- Dryers
- Compressed air tools and accessories
- Consultation and planning
- Compressed air demand analysis
- Contracting (operator models for compressed air stations)
- Servicing

The company manufactures its products at facilities in Coburg (northern Bavaria) and Gera (Thuringia), Germany. Kaeser products stand out for their remarkable reliability, energy efficiency, cost efficiency and ease of maintenance – all of which help the company to achieve its top priority: complete customer satisfaction.

**All-inclusive package for a flat-rate price**

Kaeser Full Service ensures maximum reliability, availability, efficiency and value retention throughout a compressed air system's entire service life.

**Cutting edge technology – without investment costs.**

Would you like to ensure that your machinery and equipment is always at the cutting edge of technology without having to make major investment in your production facilities? Together with our financing partners, we can offer you the opportunity to finance stationary compressors and air treatment components as well as portable compressors.
