Company Profile

The Arab Contractors (Osman Ahmed Osman & Co.) is one of the leading construction companies in the Middle East and Africa

Our employees work in collaboration with our customers, partners, and suppliers in more than 29 countries.

Our experience is widely diversified and covers a wide spectrum of the construction industry and its ancillary services including: Public buildings, bridges, roads, tunnels, airports, housing, water & sewage projects, wastewater treatment plants, power stations, dams, hospitals, sports buildings, restoration of monuments, irrigation, producing ready-mix concrete, shipbuilding, electromechanical projects, engineering consultancy, manufacturing and assembly of steel structures, etc.

Vision

We aim to be amongst the top construction organizations working in the Middle East and Africa within the next five years.

Mission

- We are committed to provide high standards services and products that are fit for purpose.
- We aim at satisfying our customers by providing best value for money.
- We believe that our development is strongly related to the development of our human resources through training.
- We are committed to quality, safety and preserving the environment.
- We promote an environment of competitiveness amongst our employees to promote their sense of leadership and team working.
